**Network Alliance Celebrates 10th Anniversary by
Giving Back to the Non-Profit Community**

Reston, VA – Network Alliance, a Reston-based organization providing IT Solutions to small businesses, celebrated its 10th Anniversary on Thursday, February 22, 2007. In conjunction with its 10th Anniversary Celebration, Network Alliance hosted a raffle fundraiser raising \$3,440 to benefit its non-profit clients.

The raffle fundraiser featured prizes donated from 26 area businesses and raised over \$1,440 in ticket sales. As an active member of the philanthropic community, Network Alliance donated over \$10 per raffle ticket sold at the event to bring the total donation to the non-profits to \$3,440. The non-profits benefiting from the raffle fundraiser included:

Community Foundation, www.cfncr.org
DC Education Compact, www.dcec.org
Earth Conservation Corp, www.ecc1.org
Greater Reston Arts Center, www.restonarts.org
Heads Up, www.headsup-dc.org
Horton's Kids, www.hortonskids.org
Non-Profit Roundtable, www.nonprofitroundtable.org
NOVA Health Foundation
Venture Philanthropy Partners, www.vpppartners.org
Washington Tennis & Education Foundation, www.wtef.org

"This donation will truly impact the kids in our programs. Thank you Network Alliance," Jeff Thomas with the Washington Tennis & Education Foundation said. "Network Alliance and its partners' fundraising raffle was a great idea."

For more than 10 years, Network Alliance has been providing small businesses and organizations a simple and affordable way to manage their computer systems by becoming their IT backbone and outsourced IT department, all in one. Network Alliance manages and supports software, files, and email on their secure network, which is accessible from any computer or device connected to the internet. Clients simply log in – Network Alliance handles the rest.
